

Hall Mills - 105.92 - correspondence - 1927.8.5 - FH:TF

I have just had an invitation
to visit in Edgartown Mass -
& today an invitation to lunch
with the McParters on the 14th.

It is lovely up here & I am
so fond of Mrs Beaman & her
children. There are no hills

but the old ocean is pretty nice

When do you go back to Portville?
I go down from here on the 12th, so
as to wash my clothes & be ready
for the 15th.

I suppose you know, your friend Mr
Studer, sails tomorrow - He dined
with me last week -

Sincerely James Hall Hall.
